RE: Party Planning Extraordinaire

Dear Robin,

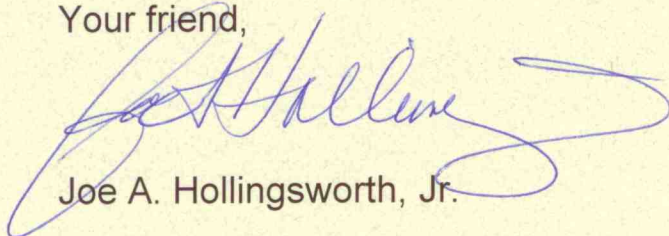

Please accept this letter as a most appreciative thank you for all of your efforts over the last two years.

As you know, I came to you with four specific party events that were going to take place over a period of two years. In each case, your creative ideas and tenacious ability to get the job done were experienced by all my guests. I cannot begin to tell you how many guests at these events have complimented us concerning the entertainment value at each of the events. Not only have you supplied the originating creative ideas every step of the way, you provided additional value making the end result a true entertainment experience.

If ever I can be of any service to you, please let me know. Meanwhile, we will begin planning our next events with you very shortly.

Thank you again for your devotion to making these events true experiences!

Your friend,

Joe A. Hollingsworth, Jr.
