**Re:** Trendsetterz: Robin Flenniken / Letter of recommendation

**Message:**

I highly recommend Trendsetterz for any business that wants to grow.

Since Robin took over our marketing plan our sales have doubled since last year. The numbers speak for themselves. Trendsetterz brings an extensive network of influential people to the table.

Robin’s network of business leaders, experts, and media personalities will launch your business into the next level.

David Perry –Owner: Gunny’s Indoor Shooting Range LLC
